Willaby Wallaby!

*Main purpose* - To develop children’s awareness of alliteration and to generate rhyme.

In this game, the teacher chants and uses the children's names to complete the rhyme. This rhyme works well at the beginning or end of day.

*Willaby Wallaby Wusan,*

*An elephant sat on Susan...*

*Willaby Wallaby Wark*

*An elephant sat on Mark...*

As children catch on to the rhyming pattern, they can generate the rhyme using each other's names.
